Take a Joke

Hello friends. I really don't know what to say about this, but it was in my head and I thought it should it exist, so now it's on the internet. Oh well. Hope you guys like it anyway!

Take a Joke

Tuffnut and Ruffnut laughed while they flew on their zippleack towards the village. Behind them was a sheep tied up with rope and a big can of Viking strength glue.

"This has to be my best idea yet!" Exclaimed Tuffnut.

"You're idea! I was the one that came up with this!" Rufnut yelled. They started punching eachother, but stopped as they landed in front of the Mead Hall. Tuffnut grabbed the very bewildered sheep while Ruffnut brought the glue and two brushes. When they went into the Mead Hall, it was completely empty, so the twins set to work.

"Thorston's" Stoic yelled after the zippleback flying away with the laughing twins. He would get them for this. Meanwhile, he had to come up with a good way to tell Mildew why Fungus was glued to the roof of the Mead Hall.
